For day tours from Orkney Mainland (Kirkwall terminal) we recommend catching the early ferry and returning on the evening ferry. There is a lunchtime ferry on some days but we generally think it's too short a day here and we are unable to collect guests if we have others with us on a full day tour.

As a general rule we don't provide tours at weekends and we discourage Tuesday day tours by ferry because of the different timetable.

The plane times are similar on weekdays but on Mondays it arrives earlier and leaves earlier. The short flight between Papay and Westray occurs in the morning leaving Westray and in the afternoon returning to Westray from Kirkwall. Day trippers from Kirkwall to Westray won't get to experience the short flight.
